Amendment

Claim Rejections under 35 U.S.C. § 101

The Examiner rejected claims 1-14 under 35 U.S.C. § 101. Applicants respectfully traverse these rejections.

Applicants have canceled claims 1-14 without prejudice in the above amendment. Therefore, this rejection is now moot.

Claim Rejections under 35 U.S.C. § 102

The Examiner rejected claims 1-8, 13-22 and 27-29 under 35 U.S.C. 102(b) as being anticipated by Japanese Patent No. JP 10328414 A to Yuichiro et al. ("Yuichiro et al."). Applicants respectfully traverse these rejections.

Applicants have canceled claims 1-8, 13-14, 16-18 and 20-22 without prejudice in the above amendment. Therefore, this rejection is now moot with respect to those claims.

With respect to independent claims 15, 28 and 29, Applicants have amended these claims to overcome the rejection. The amendments are supported by the specification as described above.

By way of example, some of the features of an example embodiment of Applicants' system are as follows. When a simple pattern such as a single line is inputted, an image other than the simple pattern is displayed from an area where the simple pattern is drawn. If the drawn simple pattern satisfies a predetermined judging criterion, the displayed image is maintained. If the drawn simple pattern does not satisfy the judging criterion, the displayed image is changed to another image.

Such features are not disclosed or suggested in Yuichiro et al. Therefore, the rejections of amended independent claims 15, 28 and 29 should be withdrawn. Furthermore, the rejections of dependent claims 19 and 27 should be withdrawn for at least

these same reasons due to their dependency on their independent claim.

Claim Rejections under 35 U.S.C. § 103

The Examiner rejected claims 9-12 and 23-26 under 35 U.S.C. 103(a) as being unpatentable over Yuichiro et al. in view of PCT Publication No. WO 98/32107 to Padwa ("Padwa"). Applicants respectfully traverse these rejections.

Applicants have canceled claims 9-12 without prejudice in the above amendment. Therefore, this rejection is now moot with respect to those claims.

The rejections of dependent claims 23-26 should be withdrawn for at least these same reasons provided above for their respective independent claims.

Fees are included herewith for a petition for a one-month extension of time to respond.
